

Shipmaster Lucky

Reaction

Description

Mission Briefing

Lucky explains the current mission to the player. He looks optimistic, hoping the player will do well. But there is always a glint of skepticism in his eye.

Reaction: Very Upset

The player has done poorly in his mission. Lucky is really upset and letting some steam out. He puffs out his gut and crosses his arms and gives the player a dirty look.

Reaction: Not Pleased

The player hasn't done well on his mission, but has completed it. Lucky looks resigned to accept mediocre work. He looks kind of tired, and bored with the unexceptional kid.

Reaction: Satisfied

The player has just done a good job on his mission and Lucky is pleased. He has a jolt of enthusiasm and gives the kid some encouragement.

Reaction: Totally Blown Away!

The player has just flown a PERFECT mission. The shipmaster is totally blown away, shocked, surprised and elated! He never expected the kid to do so well. This is an over-the-top reaction. Lucky experiences a beard explosion and googly eyes!

Lucky Bandaged

- During the war missions (chapter 5), Lucky should appear with a bandage. He should also appear with a more serious look on his face, as this is war!

Madam Lufori

Reaction

Description

Mission Briefing

Madam Lufori explains the current mission to the player. She is prompt and to the point. She is encouraging and also grateful in the way she speaks to the player.

Reaction: Severe Disappointment

The player has just done a really poor job on his mission. Madam Lufori's face kind of droops in an unflinching way. She is very disappointed in the player, and a little embarrassed that she trusted him. She makes kind of an 'ugly schoolteacher' face.

Reaction: Let Down

The player has just completed a mission but didn't do very well. Madam Lufori has a sympathetic look on her face. She is curious why the player did so poorly. Her eyes reveal that she thinks the player is kind of pathetic... but she won't give up on him yet.

Reaction: Pleased

The player has just done a great job on his mission. Madam Lufori is pleased as punch. She smiles, clasps her hands together and tries to contain her joy.

Reaction: Madam is Busting!

The player has just completed a mission and has done better than Madam Lufori thought was possible. The force of her excitement has actually knocked her backwards! Her eyes stretch open wide and her hair feathers burst up into the air.

Jack Harvey

Reaction

Description

Mission Briefing

Jack has an overconfident appearance as he briefs the player. He knows the mission will be tough and he wants to test the player. He's a guy who likes to take risks, and each mission is more and more risky. He stares down at the player, but smiles.

Reaction: Very Upset

The player has just done a horrible job and Jack is upset. He does his signature face-palm move, to convey his disappointment and disgust with the player.

Reaction: Not Impressed

The player has done a mediocre job on his last mission. Jack is not impressed and seems to barely notice the player, when speaking to him. His eyes are cold and indirect.

Reaction: Impressed

The player has done a good job on his last mission. Jack is thrilled. In fact, he gets a little crazy-eyed when he gets excited.

Reaction: Amazed

The player has just done an absolutely amazing job on his mission. Jack appears strangely humble and removes his hat for the first time. He looks at the player, beaming. Maybe there is a tear in his eye?

Falroy the Wiseman

Reaction	Description
Mission Briefing	Falroy looks at the player with a kind and welcoming expression. His hands are clasped together, and he's ready to send the player on his mission.
Reaction: Upset	Falroy's brow is furrowed and he is making a frown. He's very upset with the player.
Reaction: Disappointed	Falroy is not pleased with the player's actions. He makes a smug expression and looks over the player, as if he's looking through him.
Reaction: Happy	Falroy is happy with how the player performed. He gives him a thumbs up, or 'okay' gesture to show his approval. He smiles.
Reaction: Blown Away!	Falroy can't believe how well the player did! His hat spins around helicopter style and all the trinkets hanging from it fling outward. He's eyes go all crazy-happy.
